Wuhan is the capital of Hubei province, and one of China's most progressive cities. Built as a celebration of the city's coming of age, the five-star Marco Polo Wuhan is located on the riverfront overlooking the magnificent Yangtze River.

Designed for leisure and business travellers, the hotel's 356 rooms and suites feature deluxe amenities against the backdrop of spectacular city or river views. The Continental Club floor rooms also offer complete privacy with their exclusive setting and special privileges.

The restaurants at Marco Polo Wuhan are sure to indulge your good taste. Whether it is the signature teas of The Verandah, Cantonese fare of Shangdu Tao Yuan or the Asian and international delights of Café Marco, your dining experience will surely be unforgettable.

11 function rooms and 1 ballroom together with state-of-the-art facilities and a dedicated team ensure Marco Polo Wuhan is the ideal venue for gatherings of any size.

Only a 40 minute drive from the airport and situated in the city centre with offices, tourist attractions and shops just steps away, Marco Polo Wuhan's convenient location, comfortable amenities and warm service make it your perfect choice.

Marco Polo Wuhan is easily accessible from the airport by:

Taxi : 40 minutes

Hotel Limousine: 40 minutes

GENERAL MANAGER, JOHNNY KIU

Mr. Johnny Kiu, who was born and raised in Hong Kong, has been a passionate hospitality advocate and leader throughout his career with a talent for connecting with people, guests and industry peers from different backgrounds. After completing secondary school, he started as a catering intern at The Regent Hong Kong and over the years, steadily rose through the ranks, He has taken on different managerial positions with various international hotel chains, including Marriott, Shangri-La, Hyatt and InterContinental. His travels and geographical locations has included Cairns, Queensland, Australia; Surabaya, East Java, Indonesia; Changzhou, Jiangsu; Zhongshan, Guangdong; Chengdu, Sichuan; Xi'an, Shanxi; Changsha Hunan; Chongqing, Shanghai as well as a previous position in Wuhan, Hubei in China. He holds a degree in hospitality management from Griffith University in the Gold Coast, Australia and before joining Marco Polo Wuhan, he served as General Manager of InterContinental Shanghai Wonderland.

He is a committed hotelier who is vibrant, self-driven, and service-oriented mindset, and he has a wealth of hospitality expertise ranging from city centre business hotels to resort destinations. Johnny consistently demonstrates good business sense and is capable of enhancing performance in both pre-opening and hotels with a storied market presence that need his experience. His commercial orientation and flexibility extends to work that does not adhere to predetermined formulas. He will surely make a substantial contribution to Marco Polo Wuhan, strengthening the reputation and performance of the

hotel and further elevate guest experience for both accommodation as well as dining successfully post renovation of the hotel.

Besides spending time with his family, Mr. Kiu likes Swimming, Skiing, Scuba Diving, Horse Riding and Snooker.
