## Niccolo Chengdu X Condensé Paris Fragrance of Flowers Afternoon Tea

**Chengdu, China, October 15, 2024** – Niccolo Chengdu is partnering with French premium skincare brand Condensé Paris to launch a fruity and floral afternoon tea this autumn. The Fruity & Floral Afternoon Tea will be available at The Tea Lounge for a limited period, from 15 October to 30 November. This unique custom afternoon tea has been inspired by emblematic French perfume collections from Condensé Paris, such as Dans Le Calme des Serres D'Auteuil and Instant Acidulé à l'Orangerie.

Condensé Paris boasts its unique style of art in each of its exclusive collections, including Parfums, Rose Active and Home Scents. Gathering the finest ingredients from nature's bounty, and drawing inspiration from everyday life, Condensé Paris invigorates your sense of smell with its time-honoured perfumery techniques and vibrant imagination. Condensé Paris creates the connection between perfume and art that goes beyond the experience of olfactory notes. Black and white are the primary colours used for the overall vision, whilst all other colours are left to the imagination, giving fragrance lovers the freedom to resonate with different facets of life.

Una, the hotel Pastry Chef draws inspiration from the perfume collections and crafts the fruity and floral afternoon tea set, presented on a unique three-layer plate stand, with sweet and savoury snacks displayed in an organised manner. **Dans Le Calme des Serres D'Auteuil** is a dessert inspired by the perfume of the same name. The design of a butterfly spreading its wings above the lavender coating is reminiscent of a free stroll around Paris in the afternoon. Velvety and smooth in texture, it releases cardamom and citrus aromas in every bite, and the accompanying sour notes are an irresistible burst of

flavour for your taste buds. Inspired by the middle fragrance note of Applewood from **Instant Acidulé à l'Orangerie**, the namesake dessert features luscious fruity notes and sweet juicy apple fillings. **Rêve Parfumé au Parc Monceau** is shaped with almond chocolate into an exquisite perfume bottle, and filled with intense passion fruit puree to offer a fragrant and refreshing flavour. **Beef Tartare** is a moreish savoury made with selected M3 beef and served with caviar. With a hollow shell that is crunchy outside and soggy inside, this incredible dish excites your senses with its salty taste and soft texture. **Low Temperature Poached Scallops** are wrapped in crispy spring rolls, and mingled with rich chayote sauce to leave briny and sweet tastes in a few delicious mouthfuls, and give your culinary experience a romantic French twist.

During this period of time Condensé Paris has specially set up installations and fragrance experience stations at the Tea Lounge for guests to experience the wonderful fragrance while also taking photos with the art installations.

Fragrance of Flowers Afternoon Tea: RMB 468/two persons

Fragrance of Flowers Champagne Afternoon Tea: RMB888/two persons (including two glasses of champagne and a caviar platter)
